

Possible Environmental Project Funding Sources

Captain Planet Foundation

<http://captainplanetfoundation.org/apply-for-grants/>

Supports hands-on environmental projects designed to encourage innovative initiatives that inspire and empower children and youth around the world as they work individually and collectively creating environmental solutions in their homes, schools and communities. Grant amounts between \$500 and \$2500. Submission dates of September 30 and January 31 annually.

The Green Prize in Public Education - http://neefusa.org/grants/green_prize.htm

The National Environmental Education Foundation (NEEF) will recognize and celebrate an outstanding K-12 public school that has successfully taken on the challenge of becoming a green school through the Green Prize in Public Education.

GreenWorks! Grant Program- http://www.plt.org/cms/pages/21_22_18.html Project Learning Tree® (PLT) is an award-winning national environmental education program for educators and their students in grades PreK-12. *GreenWorks!* is the service-learning, community action program of PLT that partners PLT educators, students, and communities in environmental neighborhood improvement projects. *GreenWorks!* blends service activities with the academic curriculum and addresses real community needs as students learn through active engagement.

Increase Your Green School Competition:

http://www.dosomething.org/increase_your_green

DoSomething.org is calling on students to green their schools. Students who make the biggest effort to reduce their school's carbon footprint could win money and prizes to further their efforts.

KEEN Effect Grant Program

http://www.cybergrants.com/pls/cybergrants/quiz.display_question?x_gm_id=4494&x_quiz_id=5628&x_order_by=1

Supports projects and initiatives around the world that result in an increase of responsible outdoor participation. We define outdoor as anyplace without a ceiling. Approximately 25 non-profit organizations around the world will be granted a total of \$100,000 to bring their projects to life. Applications are only being accepted from tax exempt, not for profit organizations.

Lorrie Otto Seeds for Education Grant- <http://www.for-wild.org/seedmony.html>

Project goals for the Lorrie Otto Seeds for Education Grant should focus on enhancement and development of an appreciation for nature using native plants. It is mandatory for the grant to use and to teach about native plants and the native-plant community. The native plants must be appropriate to the local ecoregion and the site conditions.

Lowe's Toolbox for Education Grants- <http://www.toolboxforeducation.com/>

The Lowe's Toolbox for Education offers grants to schools and parent/teacher groups across the United States. School projects should encourage parent involvement and build stronger community ties.

Planet Connect Student Wildlife Grants- <http://planet-connect.org/2011wcgrants>

Supports high school students who are passionate about improving wildlife habitats or conserving natural resources. Planet Connect offers \$1,000 grants to support students to implement a project in their school or community and to participate in a local internship focused on wildlife conservation or natural resources.

Starbucks Shared Planet Youth Action Grants

www.starbucksfoundation.com/index.cfm?objectid=998EF1C4-1D09-317F-BBF7F71F7B681A12

The Starbucks Foundation supports training opportunities for young people that develop necessary skills and knowledge to incubate ideas; identify and assess community needs; create a plan of action, execute a plan, and evaluate outcomes against goals; build ongoing leadership capacity and long term engagement of young people; and communicate young peoples' success stories through various media.
